ABOUT ME

I'm a creative, responsible, hardworking Art Director with a degree in Design for Film and Television. I enjoy working within a fast paced, creative environment and have good experience in managing projects through the various stages of the design process. I am also a confident Standby Art Director which enables me to provide cover on shoot when the need arises.

I am confident with budgeting, managing a team and working with all departments, I would be interested in stepping up to a Supervising Art Director position.

I have a full, clean driving license and a car.

References can be provided upon request.
