PROFILE

A confident, enthusiastic, highly motivated and dependable Film Graduate who has years of customer service experience. Creative mind that enjoys challenges and finding creative solutions. I am eager to learn and adapt in new situations, and would love to start building a career in media. I have experience working with software packages, including Microsoft Office and Adobe Creative Cloud. After graduating from my Master's degree in Film and working in retail, I am eager for my next challenge and to take a step towards my future career.

RELEVANT WORK EXPERIENCE (PAID)

Camera Assistant (Womans Euro's), EMG Telegenic

Manchester

Jul 2022 — Aug 2022

- **Collaborated with team members to set up and maintained camera equipment** with efficiency, ensuring timely execution in fast-paced environments.
- **Adapted to various weather conditions**, successfully setting up cameras within timeline requirements.
- **Ensured the set up of optimal camera angle for net goal cameras**, capturing engaging goal footage for each match.
- **Troubleshoot technical issues on-site**, including checking and managing live fibre cable connections, to ensure the clear view of net goals.
- **Provided ongoing support to the production team** by ensuring all camera equipment was fully functional and ready for use during each match.
- **Monitored live feeds during matches** to ensure consistent framing and focus, adjusting settings as required.
- **Co-ordinated with the vision team and unit manager** to meet production requirements for live coverage.
- **Assisted with rigging and de-rigging camera setups**, and kept track of the equipment inventory for smooth transition of equipment between sites.
- **Facilitated compliance with safety protocols** during setup and operation, particularly when using ladders.

RELEVANT WORK EXPERIENCE (UNPAID)

Runner (Unpaid), TG4 Gradam Ceoil Awards

Belfast

2018

- **Assisted with rigging, setting up and de-rigging technical equipment**, securing timely installation, removal and smooth operation.
- **Supported the film crew** in configuring and adjusting lighting setups for the live show
- **Coordinated the greeting and ushering of performers and guests**, ensuring they were informed of schedules and shown to their hotel rooms on site.
- **Managed petty cash for on-site expenses**, including tracking receipts and maintaining an accurate record of disbursements.
- **Handled general administrative tasks** like writing cheques, and communicating important information to key talent.
- **Acted as a liaison between departments**, ensuring efficient flow of communication and troubleshooting issues as they arose.
- **Provided impromptu support to production teams as needed**, including assisting with rehearsals and final show preparations.
- **Supported health and safety protocols**, ensuring compliance with venue regulations and maintaining a safe working environment for all personnel.
