ABOUT ME

I am a proficient 2nd Assistant Camera with over 6 years of experience working on a variety of productions from high-end television to low budget. I have a knack for making production processes run smoothly and love sharing my camera operation skills with others. From mastering various camera equipment, such as the Arri Alexa and Sony Venice. As well as setting up and maintaining monitors, Teradeks, Vaxis and the VUER Serv Pro. I'm always keen to learn and undertake new challenges. I am a dedicated individual and always bring a positive energy to any production.
