## PROFILE

Script supervisor with nine years of experience. I am skilled at ensuring continuity and consistency across multiple episodes during prep and on a shoot. Collaborating seamlessly with directors, writers and crew to support their creative vision and ensure a smooth production. My keen eye for detail and dedication to maintaining high standards make me a valuable asset to any production team.

In my spare time I always like to keep up to date with the latest movies and I love live music. I wild swim every Saturday morning no matter what the weather. I meditate and practise yoga. My life experiences have made me a grounded, loyal and calm person. I lived in Spain for ten years before I pursued a career in TV production.
