EDUCATION

National Taiwan University of Arts

Motion Picture

Sept 2022 – July 2026 (expected diploma)

Bath Spa University (Exchange)

Film, TV and Digital Production

Feb 2025 – June 2025

ABOUT ME

Hello! I'm a hardworking and passionate film student from Taiwan (currently based in Bath), with a strong background in lighting. At school, I have been gaffer and best boy/lighting assistant on many student films, but I'm eager to gain experience on professional sets. I'm familiar with basic lighting and grip equipment (such as led, tungsten and HMI lights, as well as stands, flags and wall spreaders) and excited to learn more. I'm fluent in English and Chinese.

EXPERIENCE

Student Film Gaffer (July - December 2024)

- Worked as a gaffer for five sophomore and junior student films as well as one music video in 2024.
- During pre-production, discussed looks with director and cinematographer using references, and discussed with teachers and cinematographer on how to achieve looks using lighting diagrams.
- On set, directed lighting assistants to set up lights and achieve desired look and lighting ratios.
- One project, Sheng, was nominated for Best Cinematography at the Taipei International Golden Short Awards.

Lighting Assistant for Senior Graduation Film (January 9-11 2025)

- Worked as Lighting Assistant for a National Taiwan University of Arts Film Department graduation film.
- Was tasked blacking out ceilings before filming, handling Aputure Lights and attachments, diffusion frames, wall spreaders, and organizing and loading equipment after shooting.
- Learned how to use a radio and how move quickly during fast paced filming.

Tien Wang

Production Assistant & Second AC Internship (August - September 2024)

- Interned at shoots for advertisements, promotional videos, and educational content.
- Assisted with setting up lighting for interviews segments.
- As second AC, assisted in setting up gimbals, tripods and monitors for the DP and first AC.
- As a production assistant, performed various duties on set such as giving each team headsets and batteries, assisting in communication between teams, and driving to a rental store to rent equipment on short notice.

School Projectionist (February 2024 - January 2025)

- Was trained and certified by school as Projectionist. Operated school movie theater using Christie projector and Doremi DCP-2000 for various screenings.
- During a student organized film festival, was leader of projection team and led team members in gathering and organizing student films, making dcp files< organizing test screenings and dealing with unexpected situations on the day of screening.

SKILLS

Technical Skills:

- Knowledge of lighting equipment: trained in using LED, Tungsten, HMI, Fluorescent lights, stands and usage of a light meter and false colour.
- Understanding of lighting theory: understands lighting terminology and rules such soft/hard light, Inverse square law and Ohm's law.
- Languages: Fluent in Chinese (spoken & written), English
- Has International Driver's license, can drive automatic.

Soft Skills:

- Strong teamwork and communication skills
- Willing to ask questions and willing to admit mistakes
- Able to take direction and learn quickly
- Capable of operating under tense environment with positive attitude.
- Physical stamina for long hours on set
