Profile

I consider myself to be a hard working, punctual and reliable person. I have a passion for media, social media marketing, podcasts and photography. I studied Broadcast at Birmingham Ormiston Academy from years 10-13 and I am completing a degree in Media Production at Birmingham City university. I put a lot of effort into everything I create and I consider myself to be a creative and enthusiastic individual. I work well under pressure and in a team as this was a massive part of my school life. I have expanded on my technical and editorial skills throughout my time at university. I have learnt skills such as social media marketing, podcasting, camera work, video editing and researching.
