

NIC CORNWALL

Writer & Director

Mob:07770 755115

e-mail: nic@littlebigfishfilms.co.uk

Leamington Spa, Warwickshire.

Nic has been working in the film industry for many years and, having started in editing, brings with him considerable experience as both a writer and director on a wide variety of projects.

His multi-award winning work includes corporate, commercial and events work that has seen him work across the world, often specialising in unique films and projections. This includes working on the New Years Eve celebrations and projections on Dubai's Burj Khalifa, 2019, 2021 and 2022, synching visuals with the fireworks, fountain and laser show.

His background in writing and editing is reflected in his passion for narrative in films, ensuring that the performance and the story shine through as much as the visuals.
