## CURRICULUM VITAE

### **About me:**

I am a freelance Makeup & Hair Artist based in the North-West.

I have been working in the TV, Fashion and Commercial sector for over 20 years now and have extensive experience and training detailed below.

I bring energy, enthusiasm and skill to all my shoots, and enjoy working as part of a team and seeing the results we produce.

I work to a very professional standard and can work under pressure without it affecting the quality of work.

### **Relevant work experience:**

I have had extensive work experience with different studios, photographers, publications, brands and production companies, as I have been working steadily for a number of years.
