live action

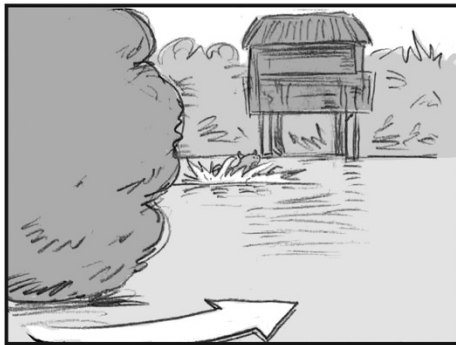

animation

wildlife

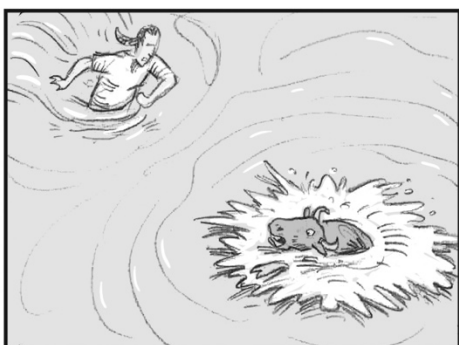

woman hears terrible moo/splash/scream noise

splashing cocophony- can't make out what it is

woman leaps into water

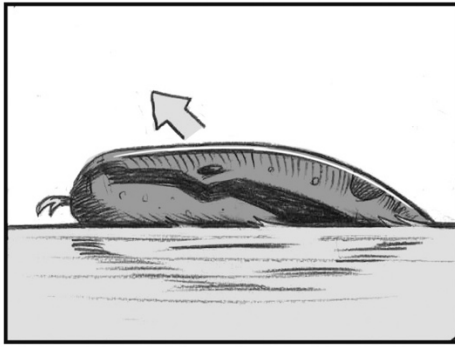

coils around cow

low angle, coils in foreground

over shoulder shot. Snake shadowy shape underwater

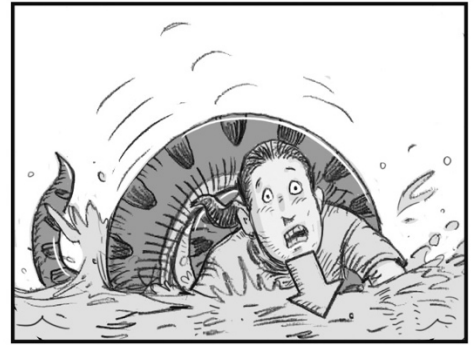

surfaces

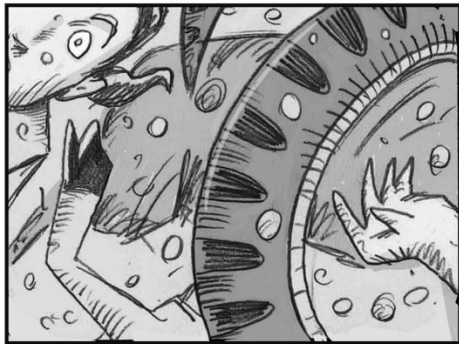

snake strikes into camera

woman grimaces

woman falls towards camera, coils around body

3 x assorted underwater mayhem shots

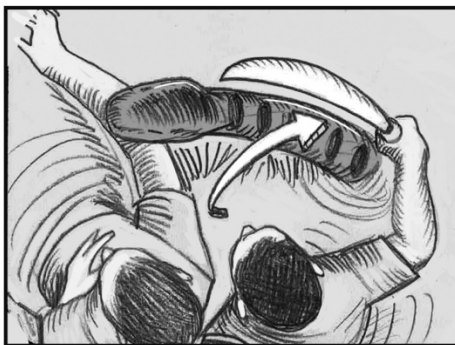

underwater- woman starts to lose consciousness

underwater- arm scoops under her body

pulls woman up into air

from above- man raises machete

machete splashes into water/snake

woman grimaces again

p.o.v.

tosses machete aside

man leans forward to bite snake

underwater - snake in foreground

man rises up from water, still biting snake

snake opens mouth and lets go

coils loosen and unwrap from cow

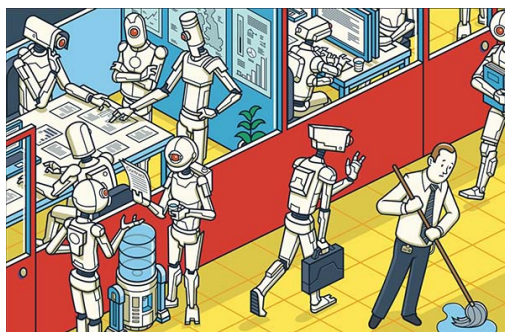

sanke sinks back down into gloom and away

- 2024/2025 Currently working freelance producing storyboards for Bristol based natural history film company, on series for major streaming service. Work covered by NDA, but should be able to show samples at interview if I can get approval from them (should be fine).
- BBC Natural history Unit/Zebra Films/National Geographic- 1995 Nightmares of Nature
- BBC Natural History Unit- Land of the Tiger 1997
- Aardman- Storyboards for Hubba Bubba Advert 2005 (Director: Peter Peake)

Probably drawn 2,000 frames so far.

More storyboard samples at [www.chrisrobson.com](http://www.chrisrobson.com)

I'm also an illustrator, 30 odd years experience. Illustration site (alter ego)
