SUMMARY

Freelance Photographer and Studio Assistant with a BA (Hons) in Photography.

With over two years of varied experience in freelance photography, specialising in fashion, events, and sports. I am recognised for my mature and enthusiastic approach to every task, thriving in busy environments and consistently delivering high-quality results. I possess a strong passion for photography and studio operations, enjoying both the technical aspects and creative responsibilities inherent in the studio environment.

EXPERIENCE

Cool Britannia Studio | Freelance Studio Assistant | London, UK 04/2023 – Present

- Proficient in setting up lighting equipment, backdrops, and props to ensure a clean, organised, and well-equipped studio environment for photo shoots.
- Skilled in post-production tasks including photo editing, retouching, and colour correction using Adobe Photoshop and Lightroom.
- Experienced in managing memory cards, organising digital files, creating contact sheets, and preparing images for client delivery.
- Demonstrated ability to interact with clients throughout the photoshoot process, from scheduling appointments to addressing inquiries and ensuring client satisfaction.
- Capable of acting as a sales consultant post-shoot, assisting clients in selecting products and images that meet their needs.
- On a monthly basis, we run 100-150 photoshoots with both small and large groups. This experience has accustomed me to a fast-paced environment and honed my attention to detail.

Photographer | Freelance | London, UK 01/2022 – Present

- Completed two successful exhibitions that enhanced exposure and industry contacts. Exhibited work at the Final Year Degree show at the University of Hertfordshire and at Free Range, London.
- Focused interests in Sports photography, particularly in capturing dynamic athlete movements. Developed a skating photography project that highlighted models jumping off the ramps and performing tricks, a project showcased in my portfolio and website.
- I specialise in fashion photography, with experience photographing final-year fashion graduates' work. This project was exhibited at the department's final showcase of the year.
- Experience in event photography for Music Bands and Drag Nights at clubs, capturing exciting, unpredictable moments in a fun, fast-paced environment.
- Currently, I am collaborating with cosplayers from an RPG online game, having successfully organised two photo shoots for fans to meet and socialise.

Royal Alberts Hall | Retail and Merchandise Assistant | London, UK 10/2022 – Present

- Assisted with merchandise displays and layouts, arranging products in an appealing and organised manner. Restocked shelves and ensured merchandise was properly labelled with price and product information. Operated cash registers, processing transactions accurately and efficiently. Oversaw guest tours for RAH, including managing bookings and recording daily sales. Adhered to procedures such as dress code, customer etiquette, and safety regulations.

Greycoat Lumleys | Catering and Hospitality | London, UK 10/2022-Present

- Experienced in providing professional and friendly customer service while maintaining a clean and safe work environment. Skilled in preparing and serving a variety of beverages and food, addressing client requirements, and accommodating dietary needs. Adaptable to working in diverse environments, including high-profile venues such as Tottenham Hotspur, Wembley, and Mansion House. Excellent at engaging with clients, answering questions, and making recommendations.
