BTEC Level 1 employability

BTEC Level 1 business and administration

Level two English

Level two maths

Work experience:

Have experience in the supervisor role for the NHS, dealing with staff and patients
professionally, answering calls, problem solving, checking on the staff if they need anything, and
if they are feeling okay during their shift, covering colleagues' shifts as a backup when they
aren't available, reliable, able to work under pressure as I always find away to keep a good mood,
able to handle long work hours, team player, friendly.

Have experience on film sets for short films, documentaries, commercials, and sketch comedy
during my time in film school.
