tanyakuruvilla@gmail.com | +44 7478 88 7459

PROFESSIONAL SKILLS & EXPERTISE

Producer / Production department:

Project & Budget management - Develops production timelines & budgets to maximise resources while maintaining quality

Crew & Vendor Coordination - Hires, negotiates, and manages crew members and vendors

Risk & Compliance - Conducts risk assessments, ensuring the adherence to health and safety protocols

Workflow & Logistics - Manages inter-crew relationships and maintains workflow to keep projects on schedule and within budget

Cast and Crew care - From travel and accommodation to learning each one's favourite drink

Stakeholder & Client Relations - Aids clear communication between creative teams, production companies and investors

Assistant Director (AD+ DA) :

Creative development - Experienced in crafting and refining creative pitches, treatment note writing and designing

Script & Scheduling - Breaks down scripts, creating shooting schedules & department briefings aligning with the director's vision

Client & Agency collaboration - Oversees approvals with agencies and clients, balancing creative integrity with commercial objectives

On-Set Coordination - Manages inter-departmental communication, ensuring smooth collaboration between all departments

Performance & Direction - Works closely with actors to guide performances, ensuring delivery aligns with creative vision

Production Execution - Ensures shoots are completed on time, within budget and the creative vision

Post Production - Assisting the post production process up until the final delivery
