About Me:

I have had a love of Film & TV my whole life and bring a huge desire to learn from every member of the Camera Department and to help everyone out as best as I can. I am a dedicated, punctual and organised individual who aims to bring a calm, reliable and friendly professionalism to any role or shoot I work on. I love watching films; learning new techniques, working out the reasoning behind why something was shot the way it was, and then applying that to my own shoots and projects.

Key Skills:

- Extensive experience shooting with Red Raptor & a range of Sony Cine Cameras, with DJI Focus Pro & Tilta Follow Focus rigs
- Film Loading Arri 435; both 35mm and 16mm mags.
- Experience shooting on a number of DJI drones including Mavics and Avata 2
- Virtual Production Set Experience
- Davinci Resolve Studio, Pro-Tools, Final Cut Pro X
- DCP Exports - organised a short film screening in Bristol
- Impeccable time management, reliable, highly motivated and eager to learn more about the industry
- Personable, cheerful and fun to be around!
- Fluent in English. Basic Conversation in French & Spanish

My Hobbies:

- I have always filmed and photographed everything - I started off when I was 9 years old, making Lego stop-motion animations and filming family holidays. That then developed into corporate shoots, weddings, real-estate and short films.
- I have always loved the cinema - it is my happy place. Films are my passion, I love watching them and making them.
- Music: I have experience as a film composer and sound designer, and I play the accordion, orchestral percussion, drums, piano and cello.
- I love travelling - eating local foods and immersing myself in local cultures.
