## NFTS PRIME VIDEO CRAFT ACADEMY TRAINEE

AVAILABLE TO WORK IN: YORK MANCHESTER LEEDS

Phone Number: 07533 377 312 | Email Address: [rhys.kenyon1@gmail.com](mailto:rhys.kenyon1@gmail.com)

I am an NFTS Prime Video Craft Academy (PVCA) Trainee, one of 25 selected from almost 1500 applicants. After two months of intensive training by industry professionals across a wide range of departments, including sound, editing and development, I am ready to start work on any production across the North of England. As I am on a year-long paid traineeship, I can work on productions at no cost to the production company. I am really keen to put my learning into practice, and bring my new skills to a production.

### FILM & TV EXPERIENCE

#### NFTS Prime Video Craft Academy (2025)

Year-long paid traineeship with training at the NFTS, introducing me to key departments in scripted and unscripted film and TV

#### Low Budget Feature in production Sound Trainee (2025)

Distributed IEMs managed and charged AA, NPI, DV batteries and Sync E MKII time code boxes. Introduced to the physics of sound, miking up actors and using a boom microphone

#### Dragonfly Manchester Researcher/Production Assistant (2025)

Collaborated with the development team researching ideas, and on a Channel 4 documentary currently in production gaining on set experience in small dynamic team

#### ScreenSkills 'First Break' Placement on Netflix's Adolescence (2024)

Paid placement in camera, lighting, and sound departments, learning to waterproof equipment, mic up actors, and monitor and replace batteries

#### Look North News (2023)

Shadowed and assisted camera man/journalist, expanding my knowledge of documentary style filming and the ethics of filming the public
