SET EXPERIENCE

POTENTIA (Student film)

April 2023

Co-Director / Co-Producer

Potentia is currently in the last stage of negotiations to be bought by a production company who have shown an interest in turning the script into a feature length film. Potentia was my original concept that I pitched and it got chosen to be made in my last year of film school. It is a 20 minute short film and I would say my biggest accomplishment to date.

Y DAU DAI'S (Student film)

August 2023

1st Assistant director

Y Dau Dai's is a 30 minute short film shot in the welsh countryside. It is currently about to premiere at a festival event in Wales before it goes on to continue with the festival run. As first AD my main responsibilities on this set were organising the transport and accommodation of the London based crew and adhering to the extremely tight schedule.

The Well (Student film)

April 2022

Location Manager

The Well is a 60 minute episodic web series. shot during my first year of film school. My main responsibilities during this role was to source multiple locations on an extremely tight budget including a train carriage and an infinity studio. which I managed to source both under budget and at a discounted rate.
