

Dear Sir/Madam

I am writing to you regarding Jill Mellors. I have known Jill professionally for 12 months and have always known her to be an organised and professional individual. I believe her skills and calm nature make her a chaperone I trust and want to continue to work with.

I met Jill on a previous Netflix production 'Adolescence' where we had 250 children, of which 150 were SEN and had no prior on-set experience. Jill was the chaperone I would confide in and trust with the most challenging children. She took so much pride in her work and even supported some of the lesser experienced of the 40 chaperones that we had.

During the time I have known her, Jill has been a key member of multiple productions, a well-liked member that everyone loves to work with and children feel safe and secure with. I believe she would be an asset to anyone's team.

Please do feel free to contact me if you have any further questions.

Regards
Nikita Vint
