

SAVANNAH BUZZARD

CAMERA TRAINEE

PROFILE

A focused and reliable BA (Hons) Film Production undergraduate with experience across both post-production and on-set environments. Skilled in colour grading and proficient with Avid Media Composer, with a strong understanding of post-production workflows. Also experienced working on set as a runner, with a solid grasp of set etiquette, collaboration, and supporting fast-paced productions. Brings strong organisational skills, adaptability, and a proactive approach to every stage of the production process.

WORK EXPERIENCE

Camera Trainee – ITV / Happy Prince, 6th–17th October 2025

Assisted the camera team on set, supporting equipment setup and operations while gaining hands-on experience on a fast-paced TV production.

FILMS @ 59 – I shadowed camera technicians at Films@59, gaining hands-on experience in a professional kit house environment. During my time there, I worked with high-end equipment including the DJI Ronin 4D and RED Raptors, supporting projects in natural history production.

ALL SET WEST – The Bottle Yard Studios (June 2025)

Selected as one of 15 emerging creatives from across the South West for All Set West – a competitive, industry-led programme supporting new talent in film and high-end TV. Involves professional mentoring, workshops, and industry networking to bridge the gap between education and employment in the screen industries.

Runner – When She Sings (Short Film) (Feb 2025)

Assisted on the set of When She Sings, directed by multi-award-winning filmmaker Paul Holbrook. Supported the production team on a psychological horror short set in a British seaside town.

Stills Photographer – Africa Unite by GREAT (Music Video) (April 2025)

Photographed behind-the-scenes and promotional stills for Africa Unite, a music video by artist GREAT. Captured key visual moments on set and contributed imagery used across press and social media campaigns.

Editorial Shoot Photographer – Orison (May 2025)

Executed an editorial shoot exploring identity, delivering a visually striking series that blends style with narrative depth.

OnePlatz Media Team (May 2025)

Photographed runway and behind-the-scenes moments for OnePlatz, capturing the event's atmosphere for promotional and archival use.

Stills Photographer – Ssadcharlie Music Video (April 2025)

Captured behind-the-scenes and promotional stills on set for Ssadcharlie's music video.

Wildlife Photographer – South Africa (Dec 2024)

Travelled for an independent wildlife photography project, gaining field experience and expanding my visual portfolio with natural history content.
