- New Entrant | Available to work -

I am a highly-motivated, spirited individual with a penchant for new learning experiences and a desire to work in the film and TV industries. As I am just starting out, I'm hoping to secure a role as an assistant or trainee in the Art/Costume departments and begin establishing myself in the industries.

SKILLS

- Quick and creative thinking
- Problem-solving
- Clear and effective communication
- Attuned to details
- Organisation and time management

EDUCATION

The Open University - *BA (Hons) Open Degree*

FEB 2023 - PRESENT

Writing to deadlines, developing skills such as interpreting data and critical analysis, and working towards a qualification which encompasses both Social Sciences and Creative Writing.

Anglia Ruskin University - *CertHe in Film and Media*

SEPT 2020 - SEPT 2022

Gained a deeper insight into film and media practices through a mixture of creative written and practical assignments.

- Worked both collaboratively and independently on various projects which include: making a short film, creating a Wikipedia page, and writing media-informed blog posts.

...

Harlington Upper School - *GCSEs*

SEPT 2014 - JULY 2017

I was awarded 8 GCSEs graded A-C/8-4 (including English and Maths).

EXPERIENCE

British Heart Foundation - *Online Sales Volunteer*

APRIL 2024 - JANUARY 2025

- Took quality photos of stock and paid attention to details (like fabric composition and imperfections).
- Uploaded stock to a specialised reselling website and wrote short, accurate, and engaging descriptions.
- Researched online in order to price items correctly.
- Prepared items to be sent to buyers through Royal Mail.

YMCA - *General Shop Volunteer*

APRIL 2023 - MAY 2023

- Sorted through, tagged, and steamed clothing stock.
- Organised and tidied the shop floor.

ACHIEVEMENTS

APRIL 2024

- Selected by the Open University to be a volunteer auditor and review information to ascertain whether criteria was met for a sustainability accreditation. Also interviewed staff to find out more about their involvement in sustainability at the university.

INTERESTS

- Knitting, sewing, and crocheting
- Photography
- Blogging and fiction writing
- Interior design
- Living sustainably
