

Juliet Kearey | Art Department Trainee

• julietkearey@gmail.com • 07490956791 • Located: Hertford, willing to relocate • Full clean UK driving licence

Personal Profile: Recent Civil Engineering graduate seeking an entry-level role in the Art Department. Passionate about film & TV and design, with strong teamwork experience from university design projects. Skilled in CAD and hand drawing. Eager to apply these transferable skills and contribute creatively and technically to the Art Department.

Media experience:

Sept. 2021 – Present **Supporting Artist**

- Work on Film and High-End TV productions as a Supporting Artist. Productions include Masters of the Air, The Crown, The Fantastic Four: First Steps, Heartstopper, and more.
- Learnt the importance of being reliable and punctual to set, developed a strong understanding of on-set etiquette, and observed the different roles and hierarchy on set.

June 2025 **Raindance Film Festival Steward**

- Volunteered at London Raindance Film Festival 2025 for the duration of the festival.
- Responsibilities included meeting and greeting guests, controlling the flow of people in and out of the cinema, and providing customer service and support.

Employment history:

November 2025 - Present **Warehouse Operative, The Wine Society**

- Pick and pack wine orders with high attention to detail, ensuring correct vintages, quantities, and packaging quality.
- High pace environment. Maintain neat, organised, and well-stocked warehouse areas.

September 2024 – April 2025 **Service Window Attendant**

- Worked as a service window attendant in food trucks across Melbourne, Australia.
- Responsibilities included being the first point of call for customers; taking orders, collecting payment and serving food. Event work so often had 50–60-hour weeks.

July – September 2023 **Structural Engineer, ARUP**

- Part of the team working on a redevelopment of a major London town centre.
- Responsibilities included interpreting and logging existing technical drawings of the site, making client presentations, assisting the senior team and conducting desk studies.

September 2021 – June 2023 **GCSE Tutor**

- Tutored a student from Year 9 – 11 preparing him for his maths GCSE exams.
- Responsibilities included planning lessons, setting up zoom meetings and preparing questions with model answers.

Sept. 2016 – Sept. 2018 **Online Business**

- Run an online slime business. Created online content, had over 10K followers on Instagram and sold over 1000 slimes, both online and in pop ups and events in London.

Volunteering:

March – August 2019 **Library Assistant**

- Sorted and shelved library books, organised documents and other materials at Ware Library. Assisted customers and aided in their search for books.

September 2018 – March 2019 **Teaching Assistant**

- Assisted in the teaching of reading to children in the EYFS at St John the Baptist Primary School. Provided one to one support to individual children with SEND.

Education & Training:

MEng **Master of Engineering in Civil Engineering with Study Abroad - First Class Honours**
University of Bristol (2020 – 2024), KTH Royal Institute of Technology (2022 – 2023)

A Levels **3 A* in Maths, Physics, and Design & Technology**
Haileybury College (2012 – 2020)

Skills & Interests:

- **Software competencies:** SketchUp, AutoCAD, Solid Works, MATLAB, and Excel.
- **Transferable skills:** Hand sketching, report writing, research, photography, prototyping, and workshop skills.
- **Interests:** Film & TV, Architectural Design & Art History, reading, travelling, running.
