## PROFILE

My name is Marek Kawula and I have been working in the industry full-time for over 2 years and I am looking to find a new challenge and to expand on my current skill set. I have filmed and edited over 100 videos for huge YouTube channels (+3M subscribers) that are orientated around cycling and triathlon. I have filmed and edited sponsored video content for brands such as Volkswagen, DryRobe, Canyon, Zwift, Wahoo, On Shoes, MET Helmets, Insta360, Decathlon and many more.

## EXPERIENCE

### Freelance Editor

Marek Kawula • June 2025 – current

- Creating social media campaigns for Tailfin Cycling by editing videos catered for mobile platform formats - 9:16 content with subtitles.

### Video Content Creator -

**Global Cycling Network / Global Triathlon Network**  
Play Sports Network • May 2023 – May 2025

- Planning, shooting and editing videos to completion for global audiences.
- Operating a plethora of camera equipment from PTZs, drones, gimbals to mirrorless cameras, including specialised underwater housing to film videos underwater.
- Managing and curating a Youtube channel with 1M subscribers.
- Creating social first content for social media platforms.
- Photographing merchandise to be featured on an online store platform.
- Driving a multitude of rental cars in the UK, US and EU.
- Working in a fast-paced environment efficiently and adapting to last minute changes.
- Working with big sport brands and creating promotional material to their desired brief.

### Freelance Camera Operator

SkyTV • July 2022

- Operating a Sony A7III and Panasonic GH4 camera solo to capture interview material that was used for a Sky UK production (Brassic: Unsigned).
- Responsible for capturing A and B-roll according to the client's specifications.
- Setting up the AV equipment safely within a confined space.
