GDPR – I consent to storage and distribution of this CV to 3rd parties for relevant business purposes.

Personality and Lifestyle

London based Unit Manager/Assistant Location Manager with bases in London, Cornwall and Jersey. I have a passion for film, music, culture and travel. I am fanatical about action sports and outdoor activities. Practical and hands on, I enjoy solving problems with creative solutions. Personally, I am sociable, easy going and calm under pressure. I always get the job done and make sure it is always something to be proud of. I have a very logistical and operational way of thinking, combined with a creative understanding of the film making process, resulting in sensible and efficient movements behind the scenes that keep every stakeholder happy. I am looking to continue progress within the industry and like continually adapt and develop new and better ways of working for myself, the department and the production. I am driven to engage as many sustainable principles as possible in my work on a daily and long-term basis to create a sustainable future for the industry and society. I firmly believe in fostering a better workplace, through kindness, good communication, honesty and compassion.
