

# GEORGE COUCH

Location Manager

07711 060806 | georgecouchfilm@gmail.com

Having progressed through the location department, I have always been passionate about balancing creativity and practicality to deliver exceptional results, regardless of budget or scope. I thrive on discovering unique, lesser-known locations that bring originality to scripts and elevate the creative vision. When taking on a new project, I take pride in managing realistic, accurate budgets whilst ensuring seamless shoot days, even in the most challenging environments.
