VIDEO EDITOR AND COLOURIST

Highly motivated and creative video editor and colourist with **over five years experience** across a range of commercial and narrative projects. I am proficient in the **Adobe Creative Suite and Da Vinci Resolve**. I have worked with clients including **Spotify, Google, Samsung, Football Australia, Square and Vimeo**, and been nominated for multiple awards in the video editing space. My experience spans **TVCs, music videos, short form web series, social campaigns, vlogs, case studies, product overviews and brand videos**.

KEY COMPETENCIES

Colour correction and grading in Da Vinci Resolve to achieve balanced and creative grades to fit the brief	Proficient in Adobe Premiere Pro and After Effects to achieve dynamic video with integrated motion design, sound design and graphic elements	Excellent interpersonal skills and ability to communicate professionally and amiably internally and with clients

PROFESSIONAL EXPERIENCE

[Visual Domain](#)

May 2023 - April 2025

Video Editor and Colourist

- Visual Domain is Australia's largest video production company. I worked on TVCs, multi-platform social campaigns, brand and product videos, intended for social channels, television, websites and livestreams.
- As the sole colourist, I was responsible for undertaking all grades across the Sydney and Melbourne teams, including prepping the timelines for grading, creating XMLs, and reintegrating the graded footage.
- The Football Australia 'Play Unstoppable' series I co-edited has been submitted for a Webby award.
- At my annual review I received a rating of Outstanding.

[Vidico](#)

Jan 2021 - April 2023

Video Editor and Colourist

- Edited and graded large-scale video campaigns and received a nomination for a B&T award.
- Was responsible for transcoding, managing and archiving footage and assets.
- Created and maintained the organisational systems, file structures and data archives.

[Cinema Thom](#)

August 2020 - Jan 2021

Junior Video Editor (Part-time)

- Edited fashion videos, vlogs, interviews and instructional videos, both in-house and for clients.
 - Developed a new Cinema Thom YouTube channel, and produced, edited and did SEO for all videos.
-
