## Script Supervisor

*beckysimon.scriptsupervisor@gmail.com*

*Based in Leeds / willing & able to travel*

I understand the pressures of fast paced shooting schedules on creative work and aim to provide continuity support with tact, clarity and accuracy.

Experience with multi-camera set up, studio and location settings, interactive film structures, fight/ action sequences, improvisation, working with children and reading in on set. Provides preproduction support - script breakdowns, story days and script timings.
