## **PROFILE**

I am a art department trainee and Marshall. I'm a creative, self motivated individual with a strong background in the arts, live events and client focused work. I've gained hands on experience as crew supporting with lighting, props, backstage set up and assisting managing. I also have a history of working in fast paced customer facing roles, which has strengthened my communication, time management and teamwork. I'm reliable, quick to learn and keen to grow.
