Full Driving Licence: Car / 25+ Business Insurance

Bases: London, Manchester, Glasgow / Happy to relocate

I've recently returned to the UK and I'm keen to further my experience within the Art Department. Formats I have worked on include HETV, continuing drama, live shows, daytime entertainment, competition shows, TVCs and documentaries, across UK, US, and Australian productions. These have ranged from low-budget, remote projects to high-budget, long-running formats. I'm a motivated and adaptable worker, and I've assisted Art Departments within many of my Production Runner roles. I genuinely love getting stuck into a job and assisting wherever I can. I offer an experienced, calm, and efficient style of work.
