- Team-worker
- Problem solving
- Good communication
- MS Office and Adobe design software
- Quick learner
- Organised
- Punctual
- Methodical
- Competent note taker

First Class Honours Graphic Design graduate based in Swindon. My skills lie in Illustration, Animation, Graphic Design for film, Prop making and Bookbinding although I find myself constantly experimenting in various fields.

I am an avid musical theatre fan and am guaranteed to be rocking out to show tunes whilst designing...it's cooler than it sounds...When I'm not designing I can be found hanging upside down in an aerial hoop, reading or cooing over animals great and small.
