Personal Information

Date of Birth: 15/12/1996 | Age 25 | Nationality: British
Tel: 07918 855496 | Address: Sandwich, Stonar Gardens CT13 9LJ

Summary

I am a recent film graduate looking to move to the production side of the film industry. I already have some runner experience under my belt in post production but have decided I would be much better suited on the production side. I am very motivated to do so and would love for the opportunity to learn from either TV or Film set productions, first hand! I hope one day to make my own films or possible move up to production assistant.

Education

University of Greenwich (London) Graduated in June 2021
Film and Television Production (First Class Honours BSC)

Canterbury College
