PERSONAL PROFILE

Chelsea is a trainee script supervisor looking to provide reliable support to script supervisors on high-end television dramas and continuing dramas. She is competent in tram-lining, organising daily sheets, updating scripts with revisions and collecting continuity photos with camera information. Chelsea is looking to build her experience across HETV, film and short films with a view to progress from trainee to assistant script supervisor. To this end, she seeks to develop her skillset in areas such as prepping for a shoot and timing scripts, as well as build her understanding of coverage, slating nuances and identifying edit solutions for issues like "line crosses". Chelsea is flexible between paper-based and digital workflows.
