RHYS NEAL

Personal Statement

A highly motivated and well-rounded young professional with a great interest in post-production and media production workflows. I bring a keen eye for detail, an eagerness to learn industry-standard software, and a collaborative spirit.

I'm currently looking for film/tv roles where I can bring strong organisational skills, a calm approach and a positive attitude.

Industry Experience

Work Experience - GORILLA Post Production Bristol May 2024

- Observed and supported professional offline and online editing.
- Shadowed colour grading sessions; learned about the role of grading in a factual TV show.
- Assisted in a Quality Control session for a children's TV Program.
- Learned best practices in post-production workflow, including project organization.

Post-Production Runner Cover Shifts - Doghouse Post Production LTD August 2023

- Maintained edit suites and client areas, ensuring equipment and spaces were clean and ready for use for the next day.
- Hospitality responsibilities to ensure clients and staff were looked after.
- Delivered and collected media and rushes between departments and external clients.

Employment History

Customer Assistant - Marks and Spencer Nov 2024 - Present

- Responsible for being apart of keeping an outstanding image and reputation that is expected from M&S by our customers.
- High level of team based work and consistent problem solving to ensure success.
- Thriving in a fast-paced, customer-focused environment.

Key Skills

- **Post-Production Software:** Davinci Resolve Studio, Adobe Premiere Pro, Avid Media Composer, Avid Pro Tools, Adobe After Effects, Adobe Media Encoder and Audacity.
- **File Management:** Extensive knowledge of media formats, transcoding and archiving
- **Technical Adaptability:** Eager to learn new software tools and problem solve issues.
- **Team Collaboration:** Wide range of experience working in team based environments.
