## PROFILE SUMMARY

I have recently finished my first year at the Norwich University of Arts studying Film and Moving Image Production. In the future I'd like to work a sociable job as I am a kind and approachable person and love to meet and speak to new people. I have had a few smaller experiences within student films doing various roles.

## EDUCATION

2016-2021

SPRINGWOOD HIGH SCHOOL

- Grade 6's/ B - GCSE's

2021-2023

COLLEGE OF WEST ANGLIA

- A-Level - Level 3 Creative Media

## EXPERIENCE

**Springboard studio**

2021-2023

Camera operator

- I had many opportunities at testing out different roles with my on campus production company at college. Most of which was camera operating, mainly live Tv such as music gigs.
- This was my first opportunity to see a professional process, and know what it's like to be on set, I was taught a lot of set etiquette here.

## SKILLS

- Project Management
- Teamwork
- Time Management
- Leadership
- Adobe suite
- Davinci resolve
- Effective Communication
- Critical Thinking

**3rd Assistant Director**

2023-2023

Local Indie Short Film

- I was a 3rd assistant director on a local, low budget short film. As well as getting hands on with lighting set up, I was able to operate the camera for short periods of time.
- I learnt the importance and value of communication in this role. Being a key spokesperson to each department.

**Production Assistant**

2025-2025

Indie Short Film

- I helped set up equipment efficiently to adhere to the strict shoot schedule.
- For a brief period of time I was able to take charge of the clapperboard for a few short scenes.
- I was responsible for any note taking, coffee orders or refreshments
