Education

BA(Hons) Film Production -
Editing & Post-Production Sep 2022 - 2025

[Arts University Bournemouth, Bournemouth](#)

Across three years studying at the Arts University Bournemouth as part of the Bournemouth Film School, I undertook specialist training in the field of Post Production, earning a certification in Avid Media Composer, and gaining experience in using other Non-Linear Editing Software such as Adobe Premiere Pro and DaVinci Resolve. The skills learned in this training was then applied to productions following industry standard practices, working with crews to create independent short films. Graduated in July 2025 with a 2:2.

BTEC Level 3 Diploma - Media Production Sep 2020 - Jul 2022
(TV & Film)

[Luton Sixth Form College, Luton](#)

While studying at Luton Sixth Form College, I followed industry practices, using professional broadcasting equipment, to compose and present Multi-Camera magazine shows, while also studying Single-Camera dramas, Documentaries and Music Videos, creating an example of each, and achieving a Distinction* Grade.
