ABOUT ME

I am an enthusiastic, creative and organised individual with an interest in Film/ TV, Theatre. I was selected for two years consecutively to be the course representative, which allowed me to communicate with my lecturers and be a voice for the cohort. I have experience in co-producing showcases, doing hair and makeup for complex shows and teaching a weekly dance and fitness class. I directed and choreographed various musical numbers and had the opportunity to compete against other UK University societies, in which my direction won the best ensemble number. I have an interest in diversifying the theatre and Film sectors. My personal hobbies include travelling, reading, crocheting and improving my mental and physical fitness.
