WORK HISTORY

Video Production

Fernando Productions, Education First, Ashridge Executive Education, Square Pixel
Aug 2016 - Current

- Leading & facilitating film workshops. Including training participants to film interviews, B-roll, camera operating, sound recording and lighting.
- Working with news team and actors to deliver workshops and create segments on news days. Video editing in fast paced environment, to deliver projects on tight timeframes i.e. 20 - 30 minutes.
- In Production Control Room - operating sound desk, directing camera operators, live stream switching using ATEM control.
- In my own production company, working with clients to create films from development through to final delivery of project.
- Filming on ENG, DSLR and Cinecams.
- Filming corporate events, talks, conferences & short films, graduation ceremonies, theatre productions, live streaming, hybrid events & location shoots.
- Working on low budget short films as Director, Camera Operator, Sound recordist and on BBC & CH4 Shorts as Sound trainee, Assisting Gaffer, Production Assistant & Runner.
- Setting up staging, lighting, AV, PA's & live sound for live events.

Youth Music & Media

Fernando Productions, Community Impact Bucks, Sound Studio, CYV, Bucks County Council
2007 - Ongoing

- Facilitating and leading filming and music workshops & studio sessions.
- Working with young people, SEN groups, NEET's, youth groups & youth music projects.
- Teaching music technology lessons and instrumental lessons.
- Sound engineering in studio and live music events.

SKILLS

- Video editing software: Davinci Resolve, Final Cut Pro, Premiere Pro, Live editing: ATEM Software Control.
- Music production software: Logic Pro X
- Full UK driving license and car.
