Winner - Best Camera Royal Television Society 2020

“Kieran has an eye for the interesting shot. He uses unusual angles and points of view to great effect.

*His use of lighting and slow-motion gives a polished, quality look to his films....
Kieran’s work is consistently of a high-quality.”*

Dead Northern Film festival 2023

“The strain of attention-commanding cinema additionally continues in the aesthetics of the film. with every frame exhibiting absorbingly great camera quality, but the cinematography itself is also beyond admirable, with the visuals taking advantage of the stunning vineyard setting.
