Work Experience - 1

Alitex / Greenhouse company / 1-week 2023

This was a schoolwork experience placement we had to source ourselves. Having this experience taught me how to perform and excel in the workplace. This placement was incredibly helpful on how to develop my professionalism and mannerisms in the workplace. The team was very reassuring and helpful, ensuring I did the best I could.

- An insight to advertisement and social media management
- Professional Behaviour
- Designing advertisement
- 3-d design software experience

Work Experience - 2

Little Gems Day nursery / childcare / 1-week 2023

This was a schoolwork experience placement we had to source ourselves. Having this experience gained me knowledge in a different field of work and how to adapt to different demands. I helped cater and look after the children, helping to develop leadership skills and teamwork. Observing and learning from the professional adults around me helped me to realise and know how to develop my own skills.

- Professional behaviour
- Teamwork building skills.
- Leadership skills
