## **Background**

Drivers by Drivers has been working with many clients in Film & TV Industry for over 4 years now. We are focused on quality rather than quantity, always fulfilling our clients` needs and requirements. Our portfolio includes transport companies such as Translux, Facilities by ADF, Up and Running Facilities, Movie Makers ect and we also work directly with TV production companies such as Shine TV, Twenty Twenty TV, Jupiter Spring production etc.

We are proud to confirm that our drivers participated in movies and series production projects such as:

- Mission Impossible 6, 7 and 8,
- Indiana Jones,
- Pinocchio,
- Barbie,
- Batman,
- Snow White,
- Hanna
- and many more Netflix productions.

## **Variety of professional drivers from 3.5t to HGV Class 1.**

Our drivers have experience working with productions and offering the highest possible customer service. We have a lot of committed drivers who like working in this field and we want to give them the best possible options when it comes to work. The majority of our drivers not only have years of experience on the European and UK roads, but also mechanical background, which gives them an advantage on the road. Due to years of experience in this industry, our drivers know how to present themselves and behave properly around crew members and VIPs.

**Additional – we provide our own Driver Negligence Insurance.**
