I am a passionate and motivated individual who thrives in team environments, as well as being able to work individually to a high quality. I recently graduated film at university, and I aspire to build a career in film and television. I am proficient with the Microsoft Office suite as well as Premiere Pro and Photoshop. I can also use screenwriting softwares such as Celtx and Fade In to a high standard.

Film and TV Work

Location Marshall - Apple TV (September 2025)

Locked off areas to the public during filming, assisted with the movement and setting up of equipment.

Location Marshall - Warner Bros (August - September 2025)

Locked off areas to the public during filming in a busy city centre, moved and set up equipment, kept locations clean and tidy.

ITV - Coronation Street [Work Experience] (August 2025)

Shadowed the runners in a busy studio setting, helped with a lock off, fetching SAs from Green Room and updates over radio.

Video Producer - NEET TV (October 2024 - January 2025)

Worked in a small team for a client to create video content for marketing and social media of a charity-based residential centre.

Video Producer - Talk Twenties (October - December 2024)

Paid video producer internship for a media company with a podcast, helped create and edit social media content.

ENVY Post Production (September 2024)

A week's work experience at ENVY's Post Production Houses in London, where I shadowed the runners and had one-on-time with employees specialised in online editing, bookings and MCR.

Video Editor - Birch Thompson Memorial Fund (March 2023)

Edited a promotional video for a charity's website, using video footage of the house provided to me and narration audio from an online meeting with two of the charity's volunteers.

Media Related Projects

WCR Radio [Radio Segment] - (August 2025 - present)

Weekly short slot on a local radio station as a film critic.

Limbo [Screenplay] - (Summer 2024)

Reached the shortlist stage of a BBC Writers Open Call.
