## MEDIA EXPERIENCE

### The Oxford Union Events | OMS | Content Producer

Oct / 2021 - Dec / 2022

Using Sony PMW-200 and FS-7 cameras with Sennheiser G3 radio kits and Presonus mixing desks I shot and edited videos of live talks, panels and debates for The Oxford Union's 1.6 million subscriber Youtube channel in collaboration with Oxford Media Solutions. I also became a point-of-call for clients and VIP's with questions relating to show-running and video production.

### Graduation events | First Sight Media | Camera Operator

Jul / 2022 - Present

FSM produce hybrid, livestream and graduation events. My responsibilities include rigging Sony Z280, Z-100, Z90 & FS-7 cameras, Behringer X32, Yamaha LS9-32 & TF1 audio desks and televisions for breakout rooms. I have also helped produce highlight reel videos for FSM using Sony A7siii and Weebill 2 gimbal kits.

### Videvo Stock Footage | Videvo | Camera Operator

Jan / 2021 - Present

I Shoot Stock Footage using Blackmagic PCC 6k Pro and Red Dragon-X S35 cameras for still life studio work. This also includes the use of Aputure 300d and 600d lighting and probe lenses. I also work with GoPro HERO10 cameras for capturing action and skiing footage.

### Corporate Conferences | Oxford AV | AV Technician

Nov / 2021 - Present

Work has included rigging and operating Sony PMW-200 & FS-7 cameras as well as Midas M32 and Presonus Studiolive 16.0.2 audio desks for hybrid, livestream and corporate conference events.

### Live Concerts | 1080 Media | Camera Operator

Dec / 2022 - Jan / 2023

I worked on a series of New Years concerts recorded for FOX archives using Sony EX3, PMW-500x, Fs-7 and Canon C300 cameras. Specifically operating a shoulder rigged roaming camera with a Hollyland Cosmo C1 wireless transmitter.

### Corporate Promotion | Cedar Heights | Content Producer

May / 2022 - Oct 2022

I created an English & Bulgarian internet advert for Cedar Heights Pamporovo apartment complex in Bulgaria. This required the use of Sony A7siii with Zhiyun Weebill 2 gimbal, Sony HXR-MC2500 & Gopro Hero 10, Edited with Adobe Suite.

## PREVIOUS EMPLOYMENT HISTORY

### Shop & Post-Office Assistant, Twyford Post Office & Stores

Feb / 2016 - Dec/2021

My responsibilities included minding Post Office & Shop counters, cash handling, prohibited & restricted items handling, placing & processing orders, date rotation, shelf socking, customer services and lockdown shopping deliveries.

Trained on Post-Office Horizon systems & Covid-19 compliance.

## About Me

I am a freelance camera operator with primary experience in live events and corporate video productions. Through my clients I have helped produce content for The Oxford Union's 1.6 million subscriber Youtube channel, BBC archives and FOX archives.

I am willing to travel around the UK and Europe for work.

## Key Skills

- I am often required to provide **clear communication** over coms with the vision mixer / director of an event while operating a camera.
- I have worked with a host of high profile **VIP** talent greeting them pre-event and relaying clear instructions.
- I am accustomed to early morning and late night events which require me to be **organised** and prepared for each working day to ensure I am **punctual** to the call times.
- Live events require **teamwork** and I strive to ensure that I work within the bounds of my clients' workflows and systems.
- SDI, HDMI, XLR and power **cable management** is a hurdle I regularly approach while rigging.
- I often build **creative** videos or event solutions from scratch when working with small event or corporate clients.
