

Joshua Woolman

Profile

Graduate of BA Hons Animation. Hands on practice with 2D animation, character design and concept development. Experience working collaboratively and creative problem solving. I'm excited at the opportunity to apply my knowledge and contribute creatively to any entry level opportunities in the Film and TV industry. I'm amiable, hardworking and reliable with a creative eye for detail.

ANIMATION EXPERIENCE:

Visual Storytelling

Created over a 1 minute animatic for a short story I had created.

- Developing a visual piece from concept to final piece
- Created storyboards and planned shots/ sequences
- Cutting and assembling footage and audio to create a clear structure

Showreel Project

Stop motion group project (puppet fabrication) and solo 2D/3D shorts.

- Organised workflow to meet tight deadlines
- Fabrication for animation
- Lip-sync animation
- Character performance animation
- Clear Staging and Timing

Professional Design- Motion Design

Live brief to create moving posters to advertise an exhibition all about colour.

- Motion graphics design in After Effects
- Designing for multiple screen sizes and aspect ratios
- Meeting deadlines and delivering to spec

Work Experience:

Coffee Shop Assistant, Elviras, Abbots Langley July 2025 - Present

Self Employed, Gardening/Car Washing/Labouring July 2024 - Present
