Video Editor | Videographer

Freelance video editor and videographer with a degree in VFX and Motion Graphics, and experience filming and editing red-carpet and live event content for major UK film premieres. Skilled in fast-turnaround editing for web and social platforms, with hands-on experience operating cinema cameras in high-pressure environments.

Professional Experience

Freelance Editing & Filming

Video Editor - Instagram Reels | April 2026

Edited two Instagram reel videos for a Superhero fact account.

- Reel 1 - Interview shots spliced with shots from a TV series.
- Reel 2 - Fight scenes edit to a trending song.

Video Editor - Independent TV Pilot | March 2026

Edited a pilot episode for a music-focused TV series.

- Assembled footage, structured the edit, replaced green-screen, and edited a music video using original music.

Videographer & Editor - Red Carpet Premieres for outlet

ThatGrapeJuice.net | July 2024 - July 2025

- Heads of State UK Premiere: July 2025
- Mufasa: The Lion King UK Premiere: October 2024
- Gladiator II Royal Premiere: November 2024
- Venom: The Last Dance UK Premiere: October 2024
- Worked in high pressure live environments with talent, publicists, and press teams.
- Filmed, edited and delivered fast-turnaround montages of B-roll and interview edits for web and social media.
- Set up and operated Sony FX3 at all events.

Additional work completed for TGJ.net

- 78th BAFTAs : February 2025
- BFI Film Festival - 'Piece by Piece' Movie: October 2024
