Hi, I'm Ruby, a passionate and enthusiastic filmmaker looking to expand my career in the film industry. I spent three years at the University of Salford honing my abilities across multiple fields. I have worked in most departments within the film industry to learn as much as I can about each role. In my final year at university, I chose to direct my final short film 'Sister Apostate', which has recently been accepted into Bradford International Film Festival and was a semi-finalist at Big Fridge Film Festival. I'm interested in creating dynamic and exciting projects to entertain as many people as I can. My hopes are set high, and I aim to be a successful filmmaker one day.
