

# TEDDY HUTCHINSON

Academically accomplished graduate with strong interpersonal skills, adept at working with diverse groups. Excellent adaptable emotional intelligence. Proficient in a wide range of camera systems.

## Production Experience

### **1st AC (3 Days Unpaid Work) Narrative Short Film** October 2024

- Focus pulled dynamic scenes
- Coordinated with both DOP and 2<sup>nd</sup> AC whilst on set
- Set up and wrapped camera each day

### **DOP (5 days Unpaid Work) Narrative Short Film** April 2023

- Led the camera team, kept high standards of both technical and artistic proficiency over long shoot days
- Kept solution oriented and adaptable when complications arose across the days
- Had a technical understanding of exposure, colour theory, and post-production workflow

## Employment History

### **Go Ape** June 2025 - Present

- Risk assessment skills — spotting hazards, managing them in real time whilst following and enforcing strict health and safety protocols
- Carrying out large safety briefings and demonstrations
- Remaining calm and decisive in emergency situations by helping build confidence and trust quickly with customers
- Adapting communication to different audiences with patience and professionalism.
- Learning rescue techniques and appropriate language for assisting participants at height

### **Various Hospitality Roles** May 2022 - December 2024

- Delivered excellent customer service by adapting communication to a diverse range of situational needs
- Maintained accuracy under pressure, managing multiple tasks in fast-paced environments
- Collaborated and led effectively within a team
- Applied problem-solving skills to handle unexpected challenges
- Gained experience in cash handling, point-of-sale systems and stock management
- Adhered to strict hygiene and safety standards, ensuring compliance with regulations

## Education

### **University of Salford**

- BA Film Production 1st Class Honours
- Led teams on narrative, documentary and commercial productions
- Awarded Staff Choice Award for final year project
- Proficient in both digital and celluloid productions
