

ABOUT ME

Highly motivated and creative, with a strong passion for the film and TV industry. I bring a blend of technical ability, artistic insight, and disciplined work habits developed through video editing, music, and years of karate training. These interests have strengthened my attention to detail, problem solving skills, and ability to stay focused under pressure.

As a trusted school prefect, I demonstrated leadership, reliability, and professionalism while supporting key events such as open evenings, induction nights, and the school's 60th anniversary celebration. I received a Certificate of Achievement for my role in the UK High School Immersion Programme, where I supported a visiting Chinese student, showcasing my communication skills, cultural awareness, and initiative.

In 2022, I was awarded Student of the Year for Fashion, Media & Graphics, recognising my dedication, creativity, and consistently high standards across all my projects.

WORK EXPERIENCE

Assistant Production Manager

2023

Walsall's MakerFest, where I managed, planned and led a production crew to film all events throughout the day of the festival.

Assistant Producer and Camera Operator for KMEMedia

2023 - 2025

Collaborating, producing and assisting on a variety of film projects with different clients, including documentaries and video production.

FutureFlames Productions

2020-2024

Provided editing services for external clients, including the company Ductu and the BrumTalks podcast. Undertaking various projects such as filming a Remembrance Day production, creating short films and music videos. Taking the roles of Producer for multiple projects as well as the lead editor, editing short films, showreels and film trailers.

First assistant Camera Op

2025

Worked closely with the Director, DoP, and other crew members throughout all stages of a feature film production. I adapted quickly to the fast-paced environment, supported various departments as needed, and maintained clear communication on set. This role highlighted my strong work ethic, flexibility, and ability to collaborate effectively under pressure.

Freelance Videography and editing

2024-2025

Creating video content for DriftwoodDrinks for social media and their website, filming for a high national NHS conference.

EDUCATION

Wolverhampton University

BA (Hons) Film and TV Production

First Class

Sep 2024 - May 2025
