Full and clean UK driving license.

Profile

I am a highly reliable, disciplined, and professional production support candidate with extensive experience working in high-pressure, time-critical environments. I have exceptional time management, attention to detail, and organisational skills developed through senior operational and leadership roles in my previous career. I am comfortable working long hours, being outdoors in all weather conditions, and adapting quickly to changing plans. I am a calm, respectful, and methodical communicator who wants to support cast, crew, and locations to ensure smooth daily operations.

Now seeking opportunities as a **TV & Film Extra, Runner, Location Marshall, Location Scout or Assistant Location Manager**, bringing a strong work ethic, practical problem-solving ability, and a production-focused mindset.

Relevant Experience

Project Manager | Team Leader | Logistician | Coach & Mentor

Ministry of Defence – Royal Marines Commando | Dec 2008 – Jul 2025

- Planned and delivered large-scale, time-sensitive programmes involving detailed scheduling, coordination, and adherence to strict safety standards.
- Managed documentation, briefings, and daily tasking ensuring paperwork accuracy.
- Worked across multiple locations, liaising with internal and external stakeholders to ensure smooth operations.
- Maintained calm and professional standards in high-pressure environments with zero safety incidents.

This CV may be kept on file and distributed for employment purposes.

- Provided daily supervision and guidance to large groups, ensuring clarity of instruction and punctual execution of tasks.
 - Built rapport quickly with diverse individuals, maintaining morale and focus during demanding periods.
 - Adapted communication style to suit different personalities and situations.
 - Coordinated multiple concurrent projects under tight deadlines.
 - Logistical co-ordination of transport, equipment, and location-based activities.
 - Oversaw teams of up to 40 personnel, ensuring tasks were completed efficiently and safely.
 - Responded quickly to last-minute changes and operational challenges.
-
