Career History

Tesco

September 2019- Current

Customer Service Assistant

- My job at Tesco is varied and I am multi-skilled in different areas within the store
- I replenish the shelves ensuring that all products are displayed in a presentable and inviting way
- Providing excellent customer service with a smile, assisting customers find products, helping them and answering any queries they may have
- Proficient in use of Dotcom online shopping system which helps pick which products are required from the customer's order
- Ensuring products are in date and safe for human consumption. Reducing items with limited 'use by date', where appropriate to ensure they are sold, reducing waste and cost to the business
- Following Tesco's process to donate any unsold products to charity at the end of the day
- Training and supporting new colleagues

MK Citizen

Paper round (whilst attending school)

June 2014– August 2015

- Delivering papers to the local community in Walnut Tree, Kingston, Kent's Hill
- Ensured papers were delivered within a set timeframe.
- Offered cover for holidays and sickness

Selling free range eggs

2008 – 2012

- During secondary school, I approached members of my local community to sell free range eggs from our family chickens
- Development and maintenance of Excel spread sheet to track any income/outgoings
- Looking after the chickens on a daily basis, food, bedding etc.

Hobbies and Interests

As a naturally creative person I enjoy drawing, film making and photography in my spare time. I also maintain my Instagram account showcasing my artwork. I also enjoy acting and dressing up, as I have been a few shows growing up; whilst studying performing Arts. Have also acted in a short film called "15", here's the link:
