INDUSTRY SKILLS

- Breakdown
- Digital Illustration
- Technical sewing
- Buying and Sourcing
- Sustainable Practices

INTERPERSONAL SKILLS

- Team Management
- Adaptability
- Communication
- Time Management

I have graduated from Arts University Bournemouth with BA in Design for Costume and Performance. I am a well-rounded creative who thrives when working collaboratively. I have a particular interest in visual story telling, using small details and colours within set and costumes to bring it to life. From my experience working on live productions I have developed a professional outlook and strong work ethic.
