Personal Statement

I am a very reliable, determined and creative individual, who has recently completed studying BA Film Making at MET Film School Brighton, successfully achieving a 2:1. I can confidently work in a fast-paced environment and embrace individual responsibility but can also work effectively as part of a team. This can be demonstrated through my experience working in different crews on multiple film shoots.

Work Experience

Hospitality Assistant (September 2025)

I am currently working at Lowry Theatre as a hospitality assistant. My roles include working at the theatre's coffee shop, consistently providing great customer service, and working on conferences and events, providing a professional service for customers in attendance.

Sound Recording (2022 – 2025)

Throughout my time at university, I have successfully recorded sound for over 30 productions, spanning a range of genres and production scales. Most recently I recorded sound for a short film starring Karl Davies (Game of Thrones, Chernobyl) and April Pearson (Skins). These opportunities have allowed me to develop and hone my talent as a sound recordist and have provided me with crucial teamwork and problem-solving skills.

Fractured Gaze (November 2024)

Recorded sound for an independently produced short film in London. This developed my ability to work well in a team with new people and my punctuality, by commuting from Brighton to London and arriving to set before call time.

Advanced Transport Research (July 2023)

Interviewed members of the public to gather data for ATR, which improved my confidence and communication skills.

Waitering (December 2019)

Served food and drink at a high profile private local event, this gave me valuable experience in customer service and enhanced my confidence.

Education

MET Film School, Brighton 2022-2025 (BA Hons)

BA Film Making – Achieved a 2:1 (Upper Second Class Honours)

Key modules include: 'Sound Recording & Post' & 'Camera, Lighting & Sound'

Manor School, Raunds 2015-2022

A-Levels: Information Technology (Distinction*), Business (D), Media (D)

GCSE's: 9 subjects at grades 7 to 5, including Maths (7) and English (6)

Key skills and Achievements

Film Festival Awards

Film title: Anger Management (2024)
My role: Sound mixer
Festival: Brighton Rocks International Film Festival
Award: Best of BRIFF

Film title: The Script (2024)
My role: Sound recordist
Festival: Reale Film Festival
Award: Best social drama

Film title: Hooked (2024)
My role: Sound recordist
Festival: Brighton Rocks International Film Festival
Award: Student Films Rock

These short films were filmed during March and April 2024 and the awards that they received are a credit to the technical proficiency of these bodies of work. Filming multiple films within a small window of time demonstrates my ability to work across multiple projects at once without sacrificing the quality of the work.

1st Woodford Scouts (2015 – 2019)

During my time at 1st Woodford Scouts I developed many practical skills and showed a passion for the challenges and activities I experienced including kayaking, archery and construction. This led to my appointment as a patrol leader for my group which provided me with teamwork, organisational and problem-solving skills as well as key leadership skills to manage and lead a team of younger children and provide them with a positive role model.

Athletics (2015 – 2019)

Represented my school at district and county level competitions. Also competing outside of school for Kettering Town Harriers athletics club in 800m, 1500m, and cross-country events.

Hobbies & Interests

In my spare time I like to produce music, watch films at the cinema, and attend live music events. Additionally, I enjoy sport and have previously taken part in hockey, athletics and football clubs and currently complete a weekly parkrun.
