## LOCATIONS CV

### REFERENCES

**Joel Sheldrake**

Assistant Location Manager, HBO Production

**Jo Ferreira Campos**

Location Manager, Patience

I have gained experience on a variety of production formats within the locations department. When on set, I make sure to maintain good communication between myself and my HOD and team, ensuring all tasks are complete on time and safely with cast and crew welfare in mind at all times. My experience has equipped me with knowing how to set up structures such as Ezee Ups, prep marshal and strike locations. With this experience I also aim to be always flexible to new ways of working and to seek to be a positive contributor to any production.
