HOBBIES

In my spare time I love to make my own music, both instrumentals and original songs which I put on Spotify and Apple Music. I play the violin in a chamber ensemble and really enjoy performing music to live audiences. I currently take part in gigs locally too. I also make short films that I write, act in, and film. I love to listen to music all the time, as well as walking in nature.

BIO

My name is Adele, a midlands-based HETV Sound Trainee with a full UK driving license and some on set experience, who graduated from The University of Lincoln with a First in Media Production, and I'm looking for more work as a Sound Trainee in HETV.

WORK HISTORY & EXPERIENCE

July 2025 - August 2025

Sound Trainee • 'Call of the Void' Film

- Handed out cans to all relevant crew members and collected them in at the end of the shoot.
- Connected picture for the sound mixer.
- Observed the 1st Sound Assistant mic'ing an actor.
- Boomed an exterior scene.
- Connected the aeriels to the mixer - in some cases through trees and brambles in the woodland. Also held aeriels during certain scenes where there was tricky reception.
